OPINION

Plaintiff filed this lawsuit claiming that defendants unlawfully incarcerated him after the scheduled expiration of his 1989 sentence for attempted first-degree assault. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 16th day of October, 2018.
